PUBLICACIONES NO PERIÓDICAS

1. **Avances de la agroecología en Cuba.** Fernando Funes Aguilar. Matanzas, 2016
2. **Resultados premiados por el trabajo de ciencia, tecnología e innovación en el MES, Año 2015.** MES. Editorial Félix Varela
3. **IV Convención Internacional Agrodesarrollo 2016.** Agroenergía para el desarrollo agrario sostenible. CD

PUBLICACIONES PERIÓDICAS

1. **Revista Orinoquia**, Vol. 18, No. 2, Suplemento, 2014
 - Digestibilidad aparente de *Tithonia Diversifolia*, *Gliricidia sepium* y *Cratilia argétea* en juveniles de *Piaractus Brachypomus*, Cuvier 1818/ 214
2. **Revista Orinoquia**, Vol. 19, No. 2, 2015
3. **Energía y tú**, No. 73, 2016
 - Biogás, energía positiva y desarrollo, local/ 214
4. **Boletín de divulgación de resultados y noticias del trabajo científico**, No. 1, 2015 y Nos. 1 y 2, 2016
5. **PAB**, Vol. 51, No. 5, 2016
 - Principais ameaças sanitárias endêmicas de cadeia produtiva de suínos no Brasil / 443
6. **PAB**, Vol. 51, No. 6, 2016
 - Seed production of “Mombasa” grasssubjected to diferente closing cut dates and nitrogen rates / 766
7. **PAB**, Vol. 51, No. 7, 2016
 - Acúmulo de forragem e valor nutritivo do híbrido de *Urochloa* “BRS RB331 Ipypora” sob pastejo intermitente / 880
8. **Scientia Agricola**, Vol. 73, No. 4, 2016
 - Agriculture and food security challenge of climate change: a dynamics analysis for policy selection / 311
 - Meta-analysis of individual and combined effects of mycotoxins on growing pigs/ 328

- Temporal profiles of vegetation indices for characterizing grazing intensity on natural grasslands in Pampa biome/ 332
 - Geomorphometric tool associated with soil types and properties spatial variability at watersheds under tropical conditions/ 363
9. **Scientia Agricola**, Vol. 73, No. 5, 2016
- Biogas production: litter from broilers receiving direct-fed microbials and an enzyme blend / 406
 - Cassava processing wastewater as a platform for third generation biodiesel production/ 412
 - Decline of phosphorus, copper, and zinc in anaerobic swine lagoon columns receiving pretreated influent/ 417
 - Energy generation in a Microbial Fuel Cell using anaerobic sludge from a wastewater treatment plant/ 424
 - Swine manure digestate treatment using electrocoagulation/ 439
 - Treatment of swine manure: case studies in European's N-surplus areas/ 444
10. **World Poultry**, Vol. 32, No. 8, 2016
